New Member fees and application information

HOW TO APPLY TO BE A MEMBER OF PASC

The Port Adelaide Sailing Club welcomes everyone. There are 2 primary membership categories:

Senior – needed if you have a boat at the club

Associate – for yacht racing crew members and others wanting social membership

In addition to these 2 primary categories, variations are available to support a family membership (additional fee to senior membership) or people wishing to be part of the Sailability program (discounted Associate membership).

All membership is via application and approval by the Management Committee. You must complete the application form and send it to our Secretary at secretary@pasc.com.au.

You will be asked to provide a recent photo of yourself and a short story on why you wish to join our club and what you can bring to our club community. Applications can only be considered once the application fee is paid.

WHAT ARE THE COSTS?

Attached is the current schedule of fees and charges. As a guide you will be required to pay the following (as at 1 July 2019):
