Committee	Steve Caston
Committee	Gary Bunn
Committee	Lucus Cree

The PASC club bar will be open from 4:30 to 8pm on Friday Nights; Gold coin donation for a meal, good food, good people!! Come along and enjoy! Hope to see you there!

A sailboat skipper was going back and forth through the anchorage, searching for a place to drop the hook before dark. Looking up to heaven he said, "Lord take pity on me. If you find me a good spot, I will donate to charity, give up the demon rum, treat women with respect, pay my taxes, and never again give my crew all of the blame and none of the glory!"
Miraculously, the boat with the best spot in the bay began pulling up anchor to leave.
The skipper looked up again and said, "Never mind, I found one myself."

Cover-Winter calm at the PASC pool

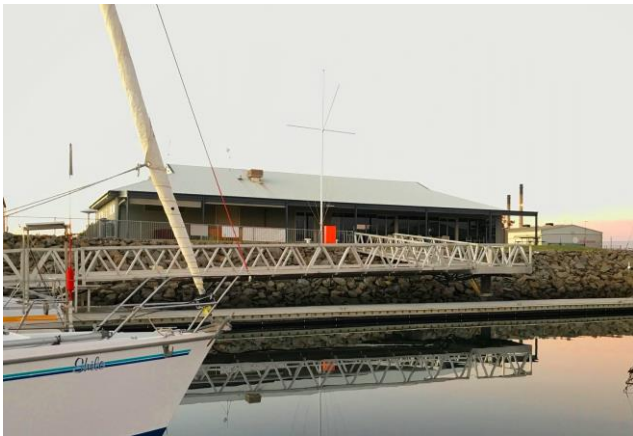

Editor's Note

Terry Beaston

October this year marks the tenth anniversary of the move from the old Birkenhead site to our new facilities at Marina Adelaide. I have been researching the archives for information regarding the move and the major change this would have been for many members of the club. I hope to include stories in the next issue of the River Ramblings, so if you can contribute with a story or photos please do so.

Thank you to those who have contributed information to the newsletter, especially Gary Bunn who provided the Presentation Night photos, Joe Mumford for the article on the SA Government support for the establishment of the club and Bill Cinnamond for the meeting agenda.

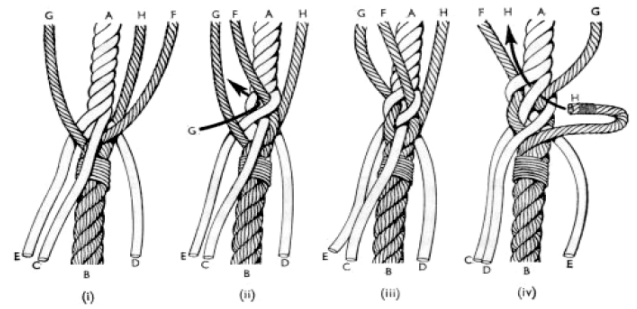

Kel Watson reminded me to thank Sarah Bolton (Shilo) for her initiative in taking home our lounge cushions from the clubrooms to give them a good clean-thanks Sarah!

Twilight at the PASC, June 2017

PASC on the Port River Photo from the SA Maritime Museum Collection .

SATURDAY 15TH JULY 6.00PM

\$10.00 Per Person

Come and try your hand at becoming an expert on how to splice / EYE, BACK, LONG.

Training will be by Professionals.

Table Competitions will be held for the best Splicers. Come on and give it a go.

The Judge's decision will be final and a table prize awarded.

MENU.

BEEF CHILLI CON CARNE.

THAI GREEN CHICKEN CURRY.

FRUIT SALAD AND ICE-CREAM - to cool the palate.

Let's make it happen.

Book a table and let the competition begin.

2017-18 BUDGET AND FEES

Members may be aware that at the May General meeting, included an extensive presentation by Committee Member Lucas Cree about the financial position of the club. As a result of this, the proposed budget for 2017-18 was approved. (If you would like access to the presentation material, please contact the Secretary.) Also, part of the budget approval process is the setting of fees and charges for the coming year. Approval was granted to increase the fees and charges by 10%. This was a general increase

which has been applied to most fees and charges. There were some fees and changes that did not have the full 10% applied which was explained in the presentation. A detailed schedule outlining all the fee increases will be distributed to all members shortly.

Members should be aware that a 'Maintenance Area Fee' has been introduced. The reason for this is associated with the high cost of running and maintaining our slip and maintenance facilities. Over the past 7 years, the club has invested over \$150,000 in this area. The previous fees for slipping have not been

sufficient to offset this level of expenditure.

Account and Credit policy

Members are aware that in February 2017 the club introduced an 'Account and Credit Policy' designed primarily to manage the large amounts of outstanding fees and charges owed to the club by members. This policy has proven to be very successful with most members ensuring that their fees and charges are paid on time and by the due dates. Our policy is that all fees and charges are payable within one month of the invoice date. The Management Committee is

grateful to those members that are adhering to this timeframe.

As a reminder, members that may find it difficult to pay their fees and charges within the one month time frame can enter into a re-payment schedule that better meets their current financial circumstances. If you believe this may be of benefit to your circumstance please read the policy and its procedure for guidance on how to arrange an alternative payment schedule.

-Management Committee

The following article was sent in by Joe Mumford to remind everyone of the huge contribution made by the SA Government towards the re-establishment of the PASC at the current location in 2007.

PASC IS VERY, VERY LUCKY!

Below are extracts from the Australian Government's 2008-2009 budget papers. Look below at what is happening to the Regional Partnerships program.

That budget drops from this year's \$73 million to \$41 million for 2009-2010, then \$2 million in 2009-2010, before vanishing completely.

Why, you may say, should this be of interest or concern to us?

Well, during PASC's relocation in the current financial year, we received a Regional Partnerships Grant totalling \$444,950. Thankfully all but the final payment of \$23,100 has been received.

Without this funding, PASC would not now have

A wedge-lift trolley, concrete wash-down and maintenance areas, yacht maintenance cradles, sealed hardstand, the shed fit-out, much of the clubroom fixtures fittings and furniture, Sailability's "Big Red" rigid inflatable boat, 2 x Westwind yachts (now under construction) a electric hoists on the pontoon and landscaping now under design: planning for the area between clubhouse and marina.

Clearly, without these facilities, all achieved without cost to our members, the Club would be a very much poorer sailing facility, and we would all suffer a great deal of inconvenience and very much higher fees for services.

We have much to thank the previous government for.

Equally, we owe a great deal to several Adelaide administrators of the Regional Partnerships program - Anne Evans and Debra Anderson of the Adelaide Metropolitan Area Consultative Committee, who totally believed in our project and its benefits for persons with a disability.

They worked long and hard with us, were extraordinarily supportive of our case for a grant and absolutely dedicated to ensuring that our application was successful. The third of this wonderful group is Karen Leslie, Project Manager, who has administered the grant in a particularly friendly, helpful and encouraging manner. Without these three, the Club would not be in the enviable position we are only now beginning to enjoy.

Sailability

- 1 The Sailability Westwinds are available for the summer twilight series; we need a skipper and a crew for each of them and I will try and secure a Sailability sailor.
- 2 We are looking for 3 sponsors to supply new sails for 3 / 303 dinghies .In return for sponsorship of \$1300 we will put their name on the boat and their logo on the sails and ensure that these boats are used in all Sailability events, including State Championships
- 3 As a new season is fast approaching, we are desperate for new volunteers to help out; we need boat buddies, safety boat crews and people to help on the pontoon. **HELP !!!**
- 4 We are also missing a Sailability trophy shield: The "Sailability Interclub Shield" If someone knows where it is could they let me know.

John Johnston

Sailability PASC

johnoj4@bigpond.com

0417-813-188

Dear Johnno and Sailability at the PASC,

On behalf of my crew, I would like to express our deepest gratitude in being awarded this most important celebration of Sailability. Nathan sent me an article explaining the Mitchell Cup history. Sailability fills such an important part in many people's lives.

Being a part of this organisation fills me with pride and honour. Even though we have enormous fun, laugh a lot and follow Dolphins constantly! My learning continues to grow, as does my love for sailing. My goal is to be able to race one day when my health is stronger.

Thank you to all volunteers for your endless donation of your time; lunches, good will ,sea knowledge and skill. Without you , Sailability would not be the caliber it is today and has been in the past.

Can't wait for the next season to begin,

Susie and Keira
